

Simona Dumascu

Freelance graphic designer based in Madrid

I'm a 23 years old romanian Graphic Art graduate currently living in Spain. My most important objective is understanding myself and the world better as well as what role I can bring into the latter.

EXPERIENCE

League AC, Design & IT, Polytechnic University of Timisoara (2018 - 2021)

Worked on national and international projects in a student organisation as a graphic designer.

Myself, My world, AIESEC Project in Istanbul, Turkey (2019)

Participated in a Global Community Development programme targeted on high-school students.
